**HOSTED BY NORTH EAST REGION RAC**

## From Diocesan Episcopa

The National Family Conference of the Diocese of North America and Europe is the largest gathering of our members in the West. The next conference is the 31st session. We remember with gratitude all the host parishes who took leadership in hosting the Family Conference from year to year. This conference has benefitted a number of families in the Diocese and has also uplifted the spirituality of the larger community, family of families.

The Conference will be held from July 2 to 5, 2015 at the Hilton Stamford Hotel in Stamford, Connecticut. You can find more details about the venue and the conference center at [www.mtfc2015.org](http://www.mtfc2015.org)

For the first time the Diocesan Family Conference is organized by the North East Regional Activity Committee. This is a combined effort of the total community of churches in the North East Region. Community formation and community living depict the nature of the Church. The gathering of the families and the spiritual nourishment through the conference sessions for the adults, youth and children will undoubtedly empower the life and mission of our Church.

The Diocese has seven thousand families in 78 parishes served by 70 Clergy. The National Family Conference will bring together families from USA, Canada and Europe. To commemorate the 31 carry relevant articles on the theme and also portray the historical growth of the Conference through the years. I welcome advertisement material and compliments from all wellwishers, institutions, parishes and organizations by purchasing space in the Souvenir.

Yours in Christ,

**Rt. Rev. Dr. Geevarghese Mar Theodosius**
